REPORT

Name of the event: Insulin: A Way of Life

Dat: 16th November 2022

Time : 3pm onwards

Venue: Ramniranjan Jhunjhunwala College

Insulin: A way to life is an event to acknowledge World Diabetes Day on 16th of November 2022 through a very informative and helpful online session .A major aim was to cover very important issues like diabetes and health awareness, PCOS and PCOD awareness.

The session was taken by Dr.Sneha Nikte.

The event was planned twenty days prior when the director Rtr Mahek Busa along with the Vice Presidents Rtr Bhushan Pawar and Rtr Tabish Bandri decided to organise a session to spread awareness. Then they started looking for a research person/speaker to add value to our event. We got reference of speaker Dr. Sneha Nikte from our professor Mr.Zaveri Our co-ordinator Miss Selvi Nadar helped us to get rotary members and many other doctors from different city took their time out and joined the meeting. The session started in a very positive note ,she stated about her experience in this field from more then 10 years and seen more than 10,000 patients all these years and gave 500 workshops on diabetes .She is proactive in giving counselling and education in diabetes.

The session started with diabetes awareness and then she gave many substitutes for sugar like stevia, etc. And then started with giving health awareness and diabetic diet plans. As it was mid of the session it was a quick question and answer round for everyone so many of them asked their queries there many questions from the our teachers, students and doctors as well. The question and answer round was very interactive as many doubts regarding PCOD, PCOS and Diabetes were cleared. Then the session was concluded on a good note. Then we ended with the session thanked our guest and she also gave her review on this session thanked everyone for being a great audience.As we ended in a positive note. At the end she shared her contact number and business information and email in comment box for reference.

The impact that this session has created was valued by everyone present in the event.

Few feedbacks of members are as follows:
