The members were explained the reason why Dusherra is celebrated and the importance of dusherra in our nation. Then we moved further with our first activity of the event. The name of the activity was Tear The Bad the message of the activity was to burn our bad activity that one would not continue from then. The member was required to write his bad habits in paper and then tear it off and put in a box by uttering the word Swaha. When this activity was explained everyone seemed very excited and were eager to participate. Then a piece of paper was distributed to each member and then they started writing their habits. Then one by one each member came and told about their habit that they now onwards will not continue and tore that piece of paper by saying swaha.

Then it was time for the next event for that everyone were divided into groups and 45 minutes were given to them to take interview from different people in streets and college. In the interview people were asked about their one bad habit that they would like to discard. Every group took interviews and recorded them and then send it to team social media. After 45 minutes everyone again gathered at room number 55. Then everyone were asked to give feedbacks about the event and what they explored today by taking interviews. The event was all over very impactful as people readily accepted their flaws and willing to improve.
