NOTICE

ROTARACT CLUB OF RJ COLLEGE

The Rotaract Club of Ramniranjan Jhunjunwala College is organising an event to spread awareness among people about drugs and alcohol with the help of a skit and to keep students and youth of today away from it as it can harm them heinously, especially because the effects of drugs can lead to lasting brain damages and put the consumer of substances at increased risk of dependence.

Date: 3 December 2022

Time: 2:30 to 5:30 pm

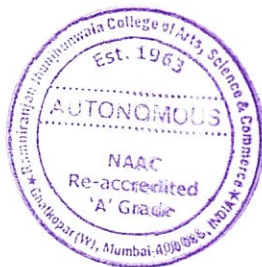

Venue: RJ College

REPORT

Name of the Event: Substance abuse

Date: 3 December 2022

Time: 2:30 to 5:30 pm

Venue: RJ College

This event was organised by the Rotaract club of Raminiranjan JhunJhunwala College to help people overcome withdrawal symptoms and abstain from alcohol or drug use. The project was handled through the professional development avenue under the chairmanship of Rtr. Shubhangi Tiwari. It was held on December 3, 2022, at RJ College. The event started at 2:30 p.m.

The aim of this event was to alleviate the use of drugs and alcohol, spread awareness among people with the help of a skit, and keep students and youths away from harmful substances. Our mission for this event was to increase awareness and knowledge of the potential health, social, and legal consequences of illicit drug use, for which our target group was young people aged 15 to 25 years old. Youth gets carried away easily as they want to be accepted by friends or peers who are doing drugs and to fit in, abused drugs can produce feelings of pleasure that leads them to consume them on a daily basis and then the young people suffer from depression, anxiety, stress-related disorders, to forget the physical pain they may consume drugs to try to get some relief or to get a feeling of numbness.

The impact of this event on participants was that the general body members, students, and parents got the opportunity to learn or relearn the social skills they need to cope with everyday life instead of resorting to substance abuse.

The overall event explained how alcohol and most drugs are linked to heart and blood vessel problems. This can lead to an irregular heartbeat, a heart attack, a stroke, and eventually death.

We were appreciated by our guest of honour, Sameer Wankhede sir, and he gave us some suggestions on how to make more people aware about drugs and alcohol.

The feedback we received was as follows:

Sameer Wankhede Sir appreciated and introduced a slogan to us: "Say no to drugs and yes to life."

Everyone gave a positive feedback and appreciated skit performed by our club members as well as the session. People were amazed by Sameer sir's speech and they found his words a great inspiration.

The event ended on a good note.
