Community Outreach Initiatives

Date: 25th December, 2018

Day: Tuesday

Venue: Dharavi

Time: 7:00 PM

Activity: "Ray Of hope"- Spreading the Christmas Cheer

A drive organised by the students of BMM Department to spread Christmas cheer and happiness amongst the under-privileged children of Dharavi. Students of FYBB, SYBMM and TYBMM Advertising and Journalism participated in this community outreach initiative. The idea germinated in our minds when we were planning a Christmas party for our classmates. One of the friends remarked how fortunate we are, to have been blessed with necessities and luxuries in our lives. There are many children out there who do not get a chance to celebrate festivals. With this sobering thought, we decided to put on Santa Masks and spread love and smiles. We reached the place at midnight carrying goodie bags. Bags and blankets were distributed to the children. Smiles were captured and cherished memories made! We all headed home, grateful for our blessed lives and feeling content and pleased that we were able to bring smiles on children's faces.
