

भारतीय भूचुम्बकत्व संस्थान Indian Institute of Geomagnetism

विज्ञान एवं प्रौद्योगिक विभाग, भारत सरकार के अंतर्गत, स्वायत्त अनुसंधान संस्थान
(An Autonomous Research Institute, Department of Science & Technology, Government of India)

Plot No 5, Sector 18, Near Kalamboli Highway, New Panvel (W), Navi Mumbai-410218, INDIA

Date: 03/10/2023

To
The Principal,
Ramniranjan Jhunjhunwala College,
Ghatkopar, Mumbai

Dear Sir/Madam,

It is my pleasure to describe here the association I have with Ramniranjan Jhunjhunwala College ever since it has become autonomous in 2016-17. I am a member of their Board of Studies over past few years. Several students of R.J. college have worked at Indian Institute of Geomagnetism for their M.Sc. dissertation project. The students those who worked with me are; Manshi Chaturvedi (2021-22), Abhishek Kher (2022-23) and Ranjeet (2023-24). The students of R. J. college do participate in our public outreach events. Recently they attended inaugural function of 3rd international workshop on equatorial plasma bubbles held at our institute during September 2023. The faculty members from our Solid Earth Geomagnetism group helped in formulating the syllabus for their Geophysics course.

I hope this collaboration will continue in the future.

Sincerely,

Bharati Kakad
Professor E
IIG, New Panvel
