3. BEACH CLEANING

DATE: 17th September 2022

TIME: 8 AM to 10 AM

PLACE/PLATFORM: Prabhadevi/ Dadar Beach

EVENT NAME: Beach Cleaning

ORGANIZED BY: Greenlines Team

CHIEF GUEST: NA

DETAIL DESCRIPTION: When I went to the beach for cleanup drive then I realise that it is not easy to clean the beach so we should not throw our dust and unuse things there. When people visit beaches and eat any foods or they through its wrapper or plastics over there. People never think that beach's beauty is in cleaning if it will be dirty then no one will visit it.

I got to learn that we shouldn't do that and we should clean the beach at least once in a week. If we'll keep it clean now then our future children can also see this beauty of nature.

CONCLUSION: I learnt that it is very easy to spread dirt anywhere but it is too hard to clean that litter or dirt so we shouldn't spread dirt and we should keep it clean.
