REPORT

Awareness campaign for 'Prevention of spread of dreadful diseases' was organised by Department of Zoology under the DBT star department activity on 25th Feb. 2020. The objective of this campaign was to empower individuals with the knowledge and tools to protect themselves and others from dreadful diseases like malaria and T.B through education and community engagement. The participating students demonstrated the detection of blood grouping and B.P using kit and instrument respectively. They also explained the calculation of BMI for a healthy body. Using charts and PowerPoint presentations they described the causative agents, preventive measures, diagnostic tools and treatment strategies for diseases like malaria and tuberculosis. From promoting vaccination drives and hygiene practices to advocating for regular health check-ups and a balanced lifestyle, the campaign strived to create a culture of proactive healthcare amongst students from non-science stream. 5 students participated in the campaign and 55 students were beneficiaries. The activity was completed under the guidance of Dr. Bindu Achary and Mr. Sagar Gavas, Assistant professors, department of Zoology.
