To fulfill this mission, he has started his own You tube channel named 'Mind Fit', through which he is working to spread encouraging messages among the youth. He is a certified Yoga teacher and a motivational speaker too. He visits schools, colleges and Corporate offices to deliver speeches. In his own words – 'The universe is made up of matter and energy whereas we are of body and mind. The body is matter and the mind is energy. What happens when a fit mind and a fit body work at their best. This may be our greatest achievement as human beings. But is it possible? let's find out.
