REPORT:

The Department of Computer Science have organized an intercollege- DBT Start Activity Short Term Training Program Titled "Placement and Interview Preparation" for undergraduate Students (TYBSC-CS) in which students learn about Interview Skills. The purpose of this program is that students of SYCS which will be shifted to TYCS must understand the placement and interview process . So that students can start placement preparation on a prior basis. As we consider placement is one of the important activities for TYBsc students. In this program students will understand the overall interview process. The Content of the STTP divided into 4 steps:

1. Personality Development.
2. Aptitude Test
3. Group Discussion
4. Technical Test
