REPORT

Objective:

The objective of the competition is to make students aware of philosophy of film and philosophy in film, the newly introduced subject in the academics. The film spoke of problems of tribals in Indian and also of minority groups. In simultaneity the whole of election procedure in India was under the film's lens. Director Amit V Masurkar's second directorial venture "Newton" backed by Drishyam Films and Anand L Rai's Yellow Pictures is a hard hitting satirical dark comedy on the Indian election system and the plight of the backward classes in our country. Newton Kumar (he himself got that changed from Nutan Kumar) tries his best to conduct free and fair voting despite the odds stacked against him. The difficulties and challenges that Newton faces to get 76 voters in a remote village in a jungle in Chattisgarh, in the naxal controlled areas is what the movie is all about.

In the month of December 2018 Film Report Writing Competition was organized by Philosophy Association; film: Newton directed by Amit Masurkar.

04 students participated in the competition. The competition was judged by Dr. Amita Valmiki and Dr. Rina Pitale Puradkar, both from the Department of Philosophy.

All students were felicitated as the reports on the film highlighted philosophy of film and philosophy in film.
