Number of Students participated: 85 students of TY BSc(IT) and TYBSc (CS)

Resource Person: Mr. Dhiraj Mishra, Senior Threat Assessment Specialist, Attack Surface Management at Emirates NBD

A session on “Introduction to InfoSec and Cloud Security” was held by the Department of Information Technology for the students of TYBSc IT and TYBSc CS on June 24, 2022. **Mr. Dhiraj Mishra, Senior Threat Assessment Specialist, Attack Surface Management at Emirates NBD, Dubai,** was the resource person for the session.

He shared knowledge on how Cyber-crime and privacy breach in India has been growing exponentially and how it is important for individuals to understand the risks associated with transactions in cyberspace; implications of data leaks and privacy breaches through social media and email transactions. He enlightened the students on the topic of security services using containers, softwares used for defining security rules, use of ssh (secured shell), identity access management phishing attacks and three tier approach to security with many examples.

He also added that lack of user awareness about the Internet, cyber laws and associated risks pose a big challenge in India. All those who use the internet through cellphones or PCs must be aware of the same. There was a question answer session where all the questions and doubts from students were cleared and answered.
