REPORT

Dr. Rohit M. Oza a renowned scientist from Central Salt and Marine Research Institute, Bhavnagar, Former Research Scientist was formally welcomed by Principal Dr. Himanshu Dawda. He was introduced by Dr. Anil Avhad. Dr. Rohit Oza intuzed the students by his talk on the vast coast of India which has a rich algal flora. He motivated students to take up research in emerging technologies in seaweed farming which could be a source of livelihood for people residing along the coast and a prospective business proposition for young entrepreneurs. He gave detailed account of the work being carried out at the CSIR Central Salt and Marine Research Institute. He also said conventional taxonomy could be empowered with modern tools like DNA finger printing. Besides conventional products from marine algae like agar agar, iodine carrageenan is much sort after. He said young students should think of exploring the vast rich biodiversity existing in our ocean. He also showed a video clipping to enlighten the students about the work being carried out in the institute. Dr. Rohit interacted with the students which made the session more vibrant. 44 students and 8 teachers attended the session. The session ended with a vote of thanks to Dr. Rohit M. Oza.
