Report

Yoga Awareness in fact is inevitable these days. Times are such, everybody suffers from stress, frustrations, conflicts and psychological issues. For complete physical, mental, emotional, social and spiritual well-being Yoga works as best medicine. The ancient Indian tradition of Yoga is not local but universal in nature. And it is secular in nature. It is not confined to any particular caste, class, religion, race or gender; but anyone at any suitable time can perform Yoga sadhana. In the event organized by the Philosophy Association, Yog asanas were demonstrated along with few important asanas (physical yogic postures), these being quite helpful to people of all ages and in particular students for whom it was intended. For overall personality development Yoga is a must.

Dr. Rina Pitale Puradkar was a resource for the same. [14 students were benefited for the same [02 teachers were present]
