Hello Mr. Devi Prasad

Thank you for the time given to us yesterday to brief you on the presentation that we would like to make to the students.

Here are the highlights of the discussion we had yesterday

1. We discussed that we are looking at fresher graduates – BA, BCOM, BSc who we are looking at participating in this drive.
2. We understood from you that students have their exam and hence they will be available only after 20th Feb.
3. We request you to check auditorium availability and get back to us with 3-4 options on the available date in the end of February for the drive.
4. We also request you to check feasibility of inviting other institutes for this drive.
