Report

The department of BMS had organized a 2 day academic based event "Infusion". The event was divided as per the subject specialization that is marketing, finance and human resources. The students interested in different events had registered and participated accordingly. The whole event was managed and organized by the students which was very encouraging for them. The event consisted of different activities like virtual trading in stock markets, guest the brand, treasure hunt, team-based activities, goal setting, pitching a product and many more. It was a fun-based event which the participants enjoyed and the teams with maximum points is the winners, who are facilitated with a certificate and prizes. Over all the students enjoyed it as it was bend of both academic and fun based games.
