Reflections 2021-22
'UMANG'

Life has been topsy-turvy in the last few years. The global pandemic may have brought profound sadness all over yet it has also made us achieve endeavors beyond our imagination. When we thought we have become fragmented and isolated, technical connectivity revolutionized everything. If there has been one thing that didn't diminish, it's the fire of hope in our hearts. The same hope that made us bounce back. And that's precisely the theme of Reflections this year 'UMANG'. The entire Cultural team invites all teachers and students to be a part of this celebration. Though online yet the euphoria remains same. Do have a list of events for the students where they can showcase
