## RESEARCH ADVISORY COMMITTEE

organises

### **GROUP COMPETITION FOR VIDEO-MAKING ON RECENT & SIGNIFICANT DISCOVERIES**

Research Advisory Committee of R.J. College - under the DBT STAR scheme is organizing a **Group Competition for "Video-Making on Recent & Significant Discoveries"**.

(The video should be about presenting the news of that particular discovery in the fields of sciences, humanities, or any other field/subject)

- **Students from different disciplines (subjects) / streams – with different expertise are expected to form groups of 3 or 4 (not more than 4) for this activity.**

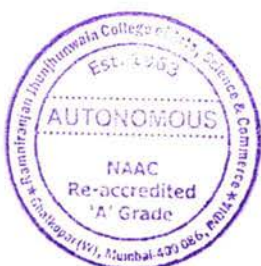

For example, a student of Literature may write the script and structure content; a student of Media can work on the technical and creative aspects of the video; and a student from Science/Humanities can work on finding the discovery and reporting its significant aspects.

- The video should be of **5 to 10 minutes** of duration.
- Existing media (video, audio, photograph etc.) can be used, however students should properly give credits.
- **Group Registration:** Link will be shared in March, First week.
- **Submission of Film:** April End.

For any queries, students can get in touch with -

Mr. Chinmay Bapat (Asst. Professor, Psychology Dept.) – 9819950587

Dr. Kiran Kolwankar (Vice Principal, Coordinator RAC) – 9920381051

## Research Advisory Committee

### Video Making Competition

#### Report

The Research Advisory Committee of Hindi Vidya Prachar Samiti's Ramniranjan Jhunjhunwala College (Autonomous) Ghatkopar organised an online Group Video Making Competition for students to report relatively recent as well as significant discoveries in any discipline in an interactive – audio-visual format. This DBT Star College Activity was conducted in order to promote interdisciplinary contact where students from diverse disciplines could work together in order to creatively report a discovery from any of the diverse fields including Humanities-Languages-Fine Arts, Commerce-Management-Law, Pure Sciences, Agriculture-Animal Husbandry, Engineering-Technology, and Medicine-Pharmacy. Accordingly student registrations were invited online through Google Forms from March 11 to 25, 2022. Students who had registered as individuals were also encouraged to participate, although this was initially proposed as a group activity. All registered participants were invited to join a WhatsApp group made for the purpose of assisting them in the event that they had any doubts or required any guidance for the same. April 28, 2022 was kept the deadline for final video submissions online. The entries received included videos made by students on topics – “Human cells can ward off bacterial invaders with a protein that behaves like soap”, “Printing Press”, and “A new potential solution to waste mitigation - plastic eating microbes”. Students of FYBA, FYBCom, FYBAMMC, FYBAF, SY Biotechnology had participated in the competition with enthusiasm. The final three entries for the competition were evaluated by two expert judges – Prof. Pooja Bhardwaj & Dr. Chhaya Pinge as well as popular vote of teachers of Ramniranjan Jhunjhunwala College (Autonomous) as the audience. Judges' evaluation was given 80% weightage whereas the popular vote of teachers was given 20% in the final result. For viewing and evaluation of videos, they were uploaded on the YouTube Channel of the Research Advisory Committee. According to the combined evaluation, a first prize, a second prize, and a consolation prize were announced on the WhatsApp group created for the competition on April 30, 2022.
