REPORT

Name of the event: Battle of brains

Date: 19th September 2022

Venue: RJ College

Time: 12:00pm - 2:30 pm

The aim of the project was to provide a platform for chess players of all levels to come together, compete, and improve their skills. By creating a fun and competitive environment, students aimed to attract players from all backgrounds and inspire them to develop their critical thinking skills through chess.

Students offered an opportunity for players to not only compete with others at their skill level but also to play against more experienced players. This allowed them to learn new strategies and techniques, gain valuable experience, and improve their game.

In addition to the competitive aspect of the event, the Battle of Brains also provided an enjoyable social experience for players.

Lastly, students aimed to promote chess as a fun and challenging indoor game, while also providing a platform for players to improve their skills, it also helped to create a community of chess enthusiasts who share a passion for the game.

The event had a significant impact on chess players, as it provided a competitive and enjoyable environment for players to improve their skills and develop their critical thinking abilities. The event offered an opportunity for players to compete against others at their skill level, as well as more experienced players, which allowed them to learn new strategies and techniques. Additionally, the tournament certificates, medals which added an extra level of motivation and excitement, the event helped bring all the chess enthusiasts together and inspired players to continue developing their skills and passion for the game.
