REPORT

Name of the event: Meet and Greet

Date of the event: 25th July, 2022

Timing: 12:00 noon onwards

Venue: Ramniranjan Jhunjhunwala

Meet and Greet is a club service avenue based event. The main aim of the event was to create bonding and good relationships between the existing members and the new rotaractors so that they get along, as well as they have fun together. Also making them understand the role and importance of an introduction. How creative an introduction can be in the bollywood style and in many ways. Creativity is the root of a good personality and makes you feel about yourself even better.

The planning of the event was started one month prior. Google forms were circulated and the interested participants were then added to the whatsapp group for further communication details. The event was a group activity and consists of three rounds, which are introduction round, a duo of caterpillar race and dares and last round was picking the glass game. The first round was subdivided into three activities that was to make a rhyming sentence with your name, describe yourself with a help of a dialogue and then by a bollywood song. Total 8 groups participated and each group consisted of 4 members. Then after the team formations all the activities were conducted one by one. This was followed by feedbacks where the members were asked the highlight of the event according to them. Then the winners of the event were felicitated with certificates. Then the event was adjourned after vote of thanks and secretariat report. Overall, the event was ended on an amusing note.
