REPORT

Name of the event: Mystical twilight

Date: 19th february 2023

Time: 3pm- 8pm

Venue: Rotary centre, vidyavihar.

The aim of prom was to give an opportunity to the club members to develop their social skills and connections. As prom is also a time to create lasting memories with friends, our purpose was to make the event fun and let them enjoy it, as it's a night to let loose and have fun, forgetting all the worries. We brought everyone out of their comfort zones and gave them an opportunity to confess their feelings to their loved ones. Through this event, they developed their relationships with their close connections and got to know more about other people, which really created a happy space for everyone. This event acted as an opportunity for the singles and couples to impress their friends and close ones and create an impression on them.

The impact of this event on participants was that they enjoyed every bit of it.

They created priceless memories, had fun, and shy and introverted ones let their social side out. The participants understood the importance of relationships and bonds.

The games in the event made them closer to their partners as they were asked questions about them, which also made their compatibility strong.

Memories of this event will last longer.

The feedback we received from the people who attended the event was positive, and the participants really loved the refreshments as well as the games.

They made stronger bonds and loved being a part of the event.

They loved, enjoyed, and appreciated the event organizers for such a great experience.
