Report

The competition was an incentive for students to re-analyse and re-visit human values. Human Values play a significant role in human life; that makes human being a rational-ethical being. For world solidarity, harmonious and peaceful world and for better ecological as well moral environment human values are inevitable in our lives. The competition provided a platform to students to transform their ideas on human values and human virtues in form of poster with slogan. The main objective of Human Values Cell is to encourage students to think out of routine mechanical life that we are humans first and therefore human values are a pre-requisite condition for healthy physical, mental, social, emotional and spiritual life.
