The Admission to the Degree Program is based on 12<sup>th</sup> standard. Transition from Higher Secondary to a Higher Educational Institute poses new challenges in the life of a student. One of the quality mandates of UGC is to make this transition smooth appropriately known as Deeksharamb. Even though this name was not used earlier our institution has this practice for more than 5 decades since students come from different backgrounds many from vernacular medium, marginalised section of the society. The year 2021 -2022, took covid pandemic had researched in the second wave and the after effect were being felt. The delayed admissions in uncertain times was a new challenge for all of us however, with our institutional spirit of resilience we strongly believe in bouncing back from any setbacks. So, in keeping with the enthusiasm a two-week induction program was planned and implemented for our first-year classes. A set of objectives for the induction program was planned much ahead and circulated among various teams and the timetable of the events which included introduction to institutional culture and ethics, value system, awareness about anti-ragging, prevention of sexual harassment anti-discrimination, nationalistic temperament.
