REPORT

Name of the activity: Seminar on water conservation

Date: 8th October 2022

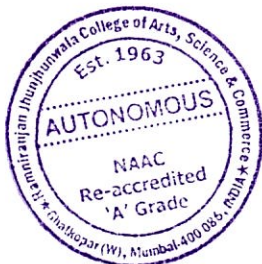

Organized by: Pavo Nature Club

Collaboration with: United Ways.

Platform: Offline, Seminar Hall

Objective of the seminar: The main objective of the seminar was to give the highlights about the conservation ways of water and to introduce ways to understand about water conservation.

Brief description of the event: The event was organized by Pavo Nature Club in collaboration with United Ways. It was held on 8th October 2022 in the seminar hall. The speaker was Swanand Gawde which gave us some highlights about the water pollution and informative and Innovative ways in which water conservation can be organized and water can be saved. A conclusion was drawn about a water audit to be held by the members who participated in the seminar to understand how many ways water is used and how to conserve it. QnA session was held to clear the doubts of the students. A quiz type was kept before the seminar and after the seminar to understand and acknowledge what we know about conservation.
