REPORT

Nag Panchami is a revered Hindu festival dedicated to snakes. We aim to promote understanding and compassion towards these misunderstood creatures. Snakes play a vital role in maintaining ecological balance. Through educational initiatives and community outreach, we strive to dispel myths, address fears, and emphasize the importance of coexistence. In view of the same, department of Zoology had organised an awareness campaign for school students in the month of July 2019.

On 20th July 2019, the volunteer students campaigned Ankit Vidyalaya and Ravindra Vidyalaya and Jr. College in Titwala. About 120 school students were benefitted from this campaign. On 29th July 2019, they visited Guru Gobind Singh English High School & junior college at Vikhroli to create awareness on 'Snake Conservation'. About 150 school students were benefitted from the session. Through a combination of educational workshops and interactive exhibits, the campaign highlighted the ecological role of snakes and emphasized their significance in maintaining a balanced ecosystem. The campaign contributed to reducing snake persecution and increasing public support for conservation efforts, ensuring a brighter future for these often misunderstood creatures.

Project Name: PRUTHVI - Defining Nature

Location: Yeoor Hills (Thane)

Date: 21st July, 2019

Time: 8am-12pm

Students benefited: 25 rotaractors

15 NCC cadets

Total: 40

The motive of the PRUTHVI project was to take up social responsibility towards the environment and make efforts to preserve them. For this, the saplings of mango, guava, neem, jamun, and banyan were planted by the participants. The members of the club were accompanied by the NCC unit of the RJ College and Captain PravinNayak for the plantation. The weeds and grass in the whole lawn were cleared, then successfully 100 saplings in 4 hours were planted and subsequently a clean-up drive was undertaken at the same place where everyone tried to collect every plastic bag, wrappers, and bottles. Due to the increasing global warming the roads are getting warmer but the trees would help to lower the temperature of the roads. The plantation would definitely increase the oxygen level in the air and also boost the biodiversity by becoming a natural habitat for wildlife and in order to give some of our contribution in the making of healthy environment. Trees are more cut than they are planted. We being the youth want to take a step towards our social responsibility to take care of our Mother Earth and this tree plantation as a small and valuable contribution was made on behalf of RCRJ.

Eco-Ment was an Ecofriendly awareness drive. In this students promoted Ecofriendly decoration, Ecofriendly ganpati, Healthy Environment And to help the police traffic management. 1st part of the project was promoting Ecofriendly decoration and Ecofriendly Ganpati. In which students promoted Ecofriendly decoration and Ganpati is very much important. Students went to one of colony in Vashi where we informed people about Ecofriendly decoration and Ganpati. Then In that same colony our club members went, and they have done the Ecofriendly decoration. As we know children are future, so we have kept a session on Ecofriendly decoration, Ganpati and save environment for the kids. Students also conducted drawing competition for kids And the (topic was Ecofriendly decoration and Ganpati). Also the members of our club have took this Initiative in their own houses this year. The second part of our project was street play and the topic was Eco - Environment We have done street play in front of Ganpati pandals in Sakinaka, Asalpa, Ghatkopar. On the last day of visarjan our club members visited to Kurla. The impact of this project was very good as we got a positive response from public. The project was carried out to create and awareness regarding Ecofriendly Ganpati and environment.

NSS EVENT REPORT

Name of the Event: Paper bag distribution

Date: 16th September, 2019.

Venue: Ghatkopar (West)

Objective of the Activity: To encourage and educate local shopkeepers and vendors to use more paper bags instead of plastic bags.

Number of Participants: 30

Organized by: NSS UNIT of R. J. College

Brief Description: NSS UNIT of Ramniranjan Jhunjhunwala College organizes a drive to distribute paper bags to vendors and shopkeepers in Ghatkopar.

Outcome Of Programme: Opting for paper bags can reduce the amount of plastic waste generated and help protect our planet for future generations. They often end up in landfills or find their way into oceans, posing a significant threat to marine life, contributing to UNSDG14 and UNSDG15.

Academic Year 2019-2020

Community Outreach Initiative: Dadar Beach Cleaning Drive

Date: 2nd October 2019

Day: Wednesday

Venue: Dadar Beach

Time: 8:00 AM onwards

To commemorate the 150th Birth Anniversary of our beloved father of the nation, the students of The Department of Mass Media at RJ College, came together with Jay Foundation to clean the Chaityabhoomi side of the Dadar Beach. This was our second consecutive year of doing so. Students from FYBAMMC, SYBMM and TYBMM Advertising and Journalism participated in this activity. The students gained information about how the plastic and waste can be downcycled or recycled 6 times after every disposal. There was a lineup of speakers who gave wide spectrum of knowledge and after the cleaning of the beach, a rapping crew from Bandra performed wherein our in-house rapping talent Mr. Vivek Paasi joined beatbox with them. Overall, the event was a wonderful experience overall for all of us who participated.

CYCLE EXPEDITION (GHATKOPAR TO SHANTIVAN, PANVEL)

REPORT

The NCC Unit of R J College organised its 13th Cycle expedition from Ghatkopar to Shantivan, Panvel. This event was organised between 1st and 3rd February 2020. 18 regular cadets participated in the event and bicycled their way to Panvel. They were accompanied by 5 Ex- NCC cadets as escorts. The expedition team was flagged off by the Principal, R J College, Dr Usha Mukundan on 1st Feb., 2019 at 0800 hrs. At Shantivan, there is Leprosy Rehabilitation Centre called Kushtarog Nivaran Sanstha (KRNS), Aromatherapy Centre, 'Adhar' and Rajeev- Rajan Old age home. The team visited all these places and carried out Shram Dan / community service by carrying Swacchata abhyan. Due their stay the expedition team also visited the primary school, and later at night gave a prep talk on opportunities ahead to the SSC students. The expedition team was later joined on the second day morning by their ANO and two well wishers, namely Shri. Sukhdev Selopaul and Mrs Veena Rajeev Kapoor.

Annual Report 2019-20

SAFAI BANK OF RJ COLLEGE (SAFAI WARRIORS)

The Safai Bank of R J College as a part of Swacchta Ambassadors in association with Mumbai Sustainability Centre's (MSC) Safai Bank of India entered into its second year since it was formed in October 2018. In the starting year, about 3 Departments were involved but presently 11 different Departments of our college are associated with this initiative. The college committee consists of Teachers from various Departments who have volunteered to be a part of this initiative and are involved in guiding and helping the students in the systematic collection and deposition of Plastic, especially Multi-laminated Plastic (MLPs). Core student representatives selected and appointed mostly by their Core Teacher representative constantly interact and keep records of MLPs obtained through their Class representatives. These class representatives are the ultimate important part of the ladder who are in direct contact with the student volunteers who collect and submit their MLPs.

From October 2018 to 24th February 2020, the Safai Bank unit of R J College has deposited a total of 69,108 MLPs with the central depository of Safai Bank of India. Between 25th February and 14th March, 2020, another 16,366 MLPs were collected but due to the unfortunate total lockdown due to COVID 19, these could be deposited with the central depository only 27th August, 2020.

For the Year 2019-20, (from 09th April 2019 to 14th March 2020), the Safai Bank unit of R J College has deposited with the central depository about 66,589 MLPs with depositions made on 5 occasions on 09th Sept., 11th Nov. 2019, 13th Jan., 25th Feb., and 27th Aug., 2020.

Climate Ambassador Program Report (2018-2019 and 2019-2020)

Introduction

During the years 2018 to 2019 and 2019-2020, the NGO "Shrushtidyan" collaborated with the "Pavo Nature Club" of Ramniranjan Jhunjhunwala College to execute the "Climate Ambassador Program." This initiative aimed to engage environmentally enthusiastic students in various activities related to environmental conservation and awareness.

Program Overview

The "Climate Ambassador Program" was designed to empower students as ambassadors for climate change awareness and action. It encompassed a range of activities, including educational sessions, outreach programs, and practical initiatives focused on environmental sustainability.

Educational Sessions:

Under the program, student ambassadors conducted climate change-related sessions in several schools, including Vanita Vikas Vidyalaya and SIES School in Ghatkopar. These sessions aimed to educate students about various climate mapping techniques, fostering a deeper understanding of the impact of climate change on our planet.

Environmental Initiatives

The student ambassadors organized and participated in a variety of activities that contributed to environmental conservation and awareness:

1. Millet Festival: The program featured the Millet Festival, which celebrated eco-friendly practices and sustainable living. It served as a platform to showcase innovative solutions for addressing environmental challenges.
2. E-Waste Collection and Awareness: Student ambassadors organized E-waste collection drives to responsibly dispose of electronic waste and raise awareness about the harmful effects of improper disposal.
3. Eco-friendly Holi: To promote eco-conscious celebrations, students organized an eco-friendly Holi festival, using natural colors and emphasizing the importance of minimizing environmental harm during festivities.
4. Nature Trails: Participants enjoyed various nature trails that fostered a deeper connection with the environment, providing firsthand experiences of the beauty and importance of nature.
5. Mobile charging using solar panel

Training sessions were conducted to teach students how to set up and maintain these solar panels for mobile phone charging. This practical knowledge empowered them to harness solar energy in their daily lives, promoting renewable energy adoption on a personal level.

The collaborative efforts of Shrushtidyan and Pavo Nature Club, along with the dedication of student ambassadors, exemplified the potential for positive change when young minds come together for a common cause. This program not only educated students about climate change but also inspired them to take concrete actions to protect our planet.

REPORT

Students have been appreciated for their continued work in preventing climate change by being a part of the climate ambassador Mumbai- Stockholm Project. In this the focus is mainly in catching them young by involving school children and youth. Our students did many programs under this project for which they were felicitated by Srushtidnyan an NGO working on efforts taken for preventing climate change. The college also received a plaque of appreciation for their concerted work in prevention of climate change.
